++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells and scattered showers on Thursday. Cold and breezy.

This Evening and Tonight:
Some patchy rain during the evening which clears to the south before midnight, as the winds veer north to northwest. A mixture of clear spells and showers will follow for the rest of the night. Minimum temperature 5 deg C (41 deg F).

Thursday:
A cold day with brisk northwesterly winds. A mixture of sunny spells and showers, these most frequent towards the North Coast, but drier across southern counties. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
Friday mostly dry, sunny with risk of showers limited as northwest winds ease. Turning milder Saturday as winds back southwest, pushing rainbands across the area. Sunshine and showers for Sunday.
